This revision implements the new forms for the Lifeline program for consumer enrollment and certification,

recertification, and one-per household verification. These forms are intended for use as standard forms for all consumers and ETCs participating in the Lifeline program. This revision also implements the transition to payment of the Lifeline reimbursement to ETCs based on data from USAC's NLAD database. In the Lifeline Third Reform Order, the Commission directed USAC to propose improved methods of providing payment to Lifeline providers that will reduce costs and burdens to the Fund and to Lifeline providers. In addition, the Commission seeks to update the number of respondents for certain requirements contained in this information collection, thus increasing the total burden hours for some requirements and decreasing the total burden hours for other requirements.
